HOW IT WORKS
From uncertainty to a plan.
1
Tell us about yourself
Share education, skills, interests, experience and goals.
2
AI analyzes your profile
The system combines structured matching with conversational reasoning.
3
Discover suitable careers
Review ranked career matches with explanations.
4
Identify skill gaps
See exactly what to strengthen for your target role.
5
Follow your roadmap
Turn recommendations into projects, learning and interview preparation.
